

DATE SET FOR HIGH SCHOOL ELECTION

3 REPUBLICAN, 1 DEMOCRATIC JUDGES ELECTED MONDAY

Mokena Grade School Closing Party A Colorful Affair

When the seventh grade students of the Mokena public school tendered the members of the eighth grade a farewell party last Tuesday evening in the school gym, it was preceded by a ham dinner. Serving was done by the mothers of the seventh graders.

The gym was transformed into a lovely garden scene, with festive balloons, flowers and lawn furniture.

At the program following, Paul Cowhig, president of the PTA, was toastmaster. Each class had written and sang their farewell song. James Cooper, of the seventh grade, gave the address of welcome and Barbara Martie responded for the eighth graders.

Henry Clark gave the class prophecy; Ruth Ann Stanger, the class will and Marcia Gaddis, the class history.

The members of the graduating class presented Mrs. Elizabeth Cappel, their principal, with a gift of money and Robert Sleight, their gym instructor, cuff links and tie clasp.

Games and square dancing followed the program.

At the graduating exercises Friday night, the speaker, Rev. Hugo Leinberger, from Park Forest, proved to be an interesting speaker. One of the statements he made was "there are two groups of people in the United States today; the people who work and those who don't work but take credit for the work done by others."

Last Rites For Henry Eggers, Fire Victim, Held Wed.

Henry F. Eggers, 79, of New Lenox, who was burned severely on his legs and back April 5 when his clothing caught on fire as he was burning rubbish at his home, died in Silver Cross hospital Monday.

Being a patient in the hospital since the accident, he underwent skin grafting over a month ago, which proved successful. He was able to walk around the hospital and was improving. He suffered a sudden attack of illness and died shortly after.

A post mortem performed, according to Coroner Willard Blood, indicated that Mr. Eggers died from a pulmonary occlusion. The burns were a contributory cause. There will be an inquest into his death, the date for which has not been set.

Mr. Eggers was born in New Lenox and had lived there and in Joliet his entire life. He served as maintenance man at the JTHS for 22 years and previous to that was employed as an engineer at the Joliet Masonic Temple. He retired in 1944.

Surviving are his widow, Elizabeth C., two sons, Ross of Chicago, and Lowell of Joliet; five grandchildren, one great grandchild; two brothers, William of Lockport and Herman of Chicago; two sisters, Mrs. Louis Eberhart and Miss Helen Eggers both of Joliet.

Funeral services were held Wednesday afternoon in the Blood and Grant funeral home in Joliet with Rev. Robert A. Mulligan, pastor of Richard Street Methodist church officiating. Burial was made in St. John's cemetery at Mokena. Masonic services were in charge of Mt. Joliet lodge No. 42 A. F. & A. M.

HOMECOMING STARTED WED. IN TINLEY; ENDS SUNDAY NITE

Elsworth McGovney Weds Michigan Girl

Mr. and Mrs. Russell H. Haralson, of Bessemer, Michigan, are announcing the marriage of their daughter, Evelyn, to Elsworth McGovney, son of Mrs. Amanda McGovney and the late O. E. McGovney, of Mokena on January 27, at Scanlon, Minnesota.

Mr. McGovney has been on the teaching staff of the Ewen Michigan Community High school for several years and his wife is also a member of the faculty. After a short visit in his mother's home they will go to Urbana, where he plans to continue his post graduate work this summer.

In the judicial election held Monday, Republican Judges, James V. Bartley, Joliet; C. D. Henry, Kankakee and Roscoe C. South, Watseka were reelected into office with a large majority. They will start their new six-year term the middle of this month. They will receive an increase in salary of \$2,500 totaling \$12,500 annually.

State's Attorney John I. Pearce of Joliet, candidate on the Democratic ticket for this district, was a low man and his running mate also, Thomas Burns of Kankakee.

The only Republican not elected was Judge Julius Miner, of Chicago, candidate for Illinois Supreme Court judge, who won in the counties but Chicago's vote caused him to lose and Justice Walter V. Schaefer, Lake Bluff, Democratic candidate, won with a majority of 38,000 votes.

There was a light vote cast. The district includes the counties of Cook, Lake, DuPage, Will and Kankakee.

'Five Point Post' Is Name Chosen For Amvet Organization

The Amvets met June 4 in the VFW hall, Mokena, with a good turnout of members, and nomination of officers was held for the election June 25 at 8 p. m. in the VFW hall.

The membership has been steadily increasing although more members are wanted, including those from Orland Park, Tinley Park and New Lenox.

The organization has chosen as their name the Five Point Post No. 183. This means a point for each town represented in the post, Mokena, New Lenox, Frankfort, Tinley Park and Orland Park.

The charter will be delivered in person by Mr. Howard Paul, state executive, at the time of installation of officers.

The Post has many plans for activities they hope to carry out in the future.

Add Technician To Hedges Clinic

To increase the efficiency of the handling of the patients at the Hedges Clinic at Frankfort, a technician, Miss Ruthanne LeSuer, has been added to the personnel.

Miss LeSuer lives in Joliet and started her work at Frankfort last Friday. She is a graduate from the University of Iowa college and has been on the laboratory staff in the Aurora-St. Charles hospital.

MOBILE UNIT AT FRANKFORT, GREEN GARDEN

The Will county mobile unit will be in the Frankfort-Green Garden area next week starting June 15.

On that day it will be located at the town hall in Green Garden and the hours will be from 2 to 5 and 7 to 10 for free chest x-rays.

June 19, the same hours, the unit will be located at the school house on 80th avenue in Lincoln Estates and for two days, June 22 and 23 it will be located in the village of Frankfort opposite the post office also from 2 to 5 and 7 to 10.

It is the desire to x-ray every adult 19 years or over, as a step to stamp out tuberculosis. There is no charge for this service.

Memorial Services Are Well Attended

The Memorial day exercises at Frankfort were well attended. The combined bands of Frankfort and Matteson played while parading and during the program in the gymnasium. Both bands are under the direction of Bert Kempe, of Chicago Heights. The principal speaker, Joseph M. Cooke, past commander of the American Legion Post, of Harvey; was introduced by Mayor George Sangmeister.

During the program, announced by Ralph Nieland, the school children sang several songs and were accompanied by the pianist, Janice Johnson and the Rev. E. Bizer gave the prayer.

Three prizes awarded by the American Legion for the best essays on great Americans were presented by Kenneth Oetter to Phyllis Stephens, of the sixth grade and Jean Lentz, of the seventh grade who selected the title, "Great Americans," and to Inez Reiter, who wrote on "The Unknown Soldier."

Former Frankfort Pastor Heads Church Group at Elgin

Word has been received here of the recent election of the Rev. Lloyd O. Coleman as president of the Elgin council of Churches, which is an organization of 19 of the leading churches of the city of Elgin, with a community wide evangelistic and community service program.

Rev. Coleman, who is at present pastor of the Zion Methodist church in Elgin, was the former pastor of the Frankfort-Green Garden Methodist churches, and has many friends in this neighborhood who will rejoice with him over the honor that has come to him.

Hay Damaged When Fire Starts In Barn

A fire of unknown origin started in a barn on the farm occupied by Mrs. Fred Hossbach, of Frankfort, Sunday night and before it was extinguished about 40 bales of hay were damaged.

The farm, which is owned by Mrs. Hossbach's sister, Mrs. Carrie Johns, is about one and one-half miles east of Frankfort, on Sauk trail. As Mrs. Hossbach left the house about 8 o'clock, to shut the chicken house, she noticed smoke coming from the cupola of the barn. It was unnoticed by her daughter and son-in-law, Mr. and Mrs. William Breidert who were in the house.

When Mrs. Hossbach went into the barn she could see the smoke coming from the haymow and she went up and tried to beat it out. She was stifled by the smoke and her eyebrows, face, hands and arms were scorched.

Mr. and Mrs. Lee Harnack, who were passing the farm just at this time, also noticed the smoke and found Mrs. Hossbach just coming out of the barn when they went to investigate.

They went to the house to summon the Frankfort and Mokena Volunteer Fire departments, who worked until 11 p. m. with water and chemicals to put out the fire. Several bushels of oats were water soaked, the barn did not burn although it was badly scorched. The firemen succeeded in saving a crib and all the corn stored in it that was near the barn.

Mrs. Hossbach suffered from shock and the injuries but is not confined to bed.

Mokena Library News

Would you sometimes like to find a little corner of the world where you escape the worries and confusion of our modern civilization? Lowell Thomas Jr. tells of such a place in "Out of This World," the story of his trip into forbidden Tibet.

Mr. Thomas gives an interesting account of the land high in the Himalayas where time has stood still for 2000 years as far as modern progress is concerned. He tells of a people who still don't have such a simple invention as the wheel but are as afraid of Communist invasion as any modern country.

"Out of This World" is one of the timely books that can be borrowed from the Mokena Library.

CANCER CLINIC

There will be a meeting of the Will-Grundy Cancer Diagnostic clinic at St. Joseph's hospital in Joliet, June 12 and 26 from 10 to 11 a.m., as announced by Dr. Paul E. Landmann, director.

BURGLARS VISIT MOKENA TWICE LAST WEEK

Burglars broke into a warehouse on the property of the Mokena Oil company over the week-end and stole 16 to 18 tires. The robbery was discovered by Louis W. Rauch, of Blue Island, when he opened the office Monday morning. The tires were stored in a special storage building and a crowbar had been used to tear away the lock. The tires were of different sizes, among them were some for trucks.

The sheriff's office was notified. The tires were insured and the insurance adjuster reported that there are many similar robberies lately which suggests that the tires are being secured for a black market.

Frei Rauch, a member of the firm, suggested that a policeman or competent night watchman is needed here because unemployment may tend to make the conditions worse.

The second place in Mokena to suffer a loss from unwanted visitors was the William Martin Post of the VFW. There was evidence that someone entered the building early Sunday morning, when it was noticed that the glass in the rear basement window had been broken. When Fred Steinhagen went into the hall Thursday morning he found that the lock on the barroom door had been forced and the door jamb broken. The thieves not only took \$30.50 in change but served themselves beer and left the place in a messy condition.

In Memoriam

SEMMLER, William.—In loving memory of our dear husband and father who passed away five years ago June 8.

You tread so stately along life's way.
Gentleness and kindness toward everyone,
And dauntless courage when trials arose,
Hands never idle, found tasks loving to do.

LOVING WIFE AND CHILDREN

In Memory Of

St. Jude's At New Lenox Have First Graduating Class

Patricia Gilgen, Kenneth Mangun and Edward Butzen received their eighth grade graduation diplomas at commencement exercises held Sunday at St. Jude's.

The graduates, with the members of the seventh grade class, attended 8 o'clock mass Sunday morning and took Communion in a body. Following mass the seventh grade mothers entertained at breakfast in the dining room for the graduates, their parents, members of the seventh grade class and their teachers Sister Mary Rose, and Sister Eileen Frances. Mothers who served the guests were: Mesdames, James Staley, Vincent Arends, Albert Huttenhoff, Lester Brown and Sheldon Hauck.

White linen cloths covered the dining tables, while maroon and gold, the class colors, were the color scheme carried out in the flower arrangements and candles that decorated the tables.

Miniature gold diplomas tied with maroon ribbons decorated the places of the graduates. Father Denis gave the prayer.

Sunday night at 8 o'clock in the school Patricia Gilgen, in her maroon cap and gown, and Kenneth Mangun and Edward Butzen in their gray caps and gowns, received their diplomas at the first commencement exercises held in St. Jude's. The program consisted of the professional with Mrs. Elaine Griffin at the organ; prayer, Father Denis, speaker, Monsignor Blanchette, chancellor of the Joliet diocese; presentation of diplomas and awards by Father Denis.

Graduate 34 From This Area at Joliet

The high school students of this community who graduated from Joliet Township High school Wednesday night, attended the baccalaureate services held Sunday, June 3, in the school auditorium. The principal speaker, the Rev. T. Moore King, pastor of the Second Baptist church of Joliet, based his sermon on the theme, "That the Tomorrows May Sing." Several anthems were sung by the choir under the direction of Paul F. Lester.

The Mokena graduates are Harold Ambuehl, Betty Beagle, Joyce Cummins, Bruce Gaddis, Jack Hall, David Kropp, Marcia Larson, Martin J. Medema, James Needham, Steward Shoop, Earle Stellwagen, and Marianne Whitlark.

Graduates from Frankfort are Wesley Deperto, John Funk, Carl Hollstein, William Kruchten and Nell Marie Munson.

New Lenox graduates are Vincent Arends, Carol Collatz, Max Ehrlich, Wayne Fosnaag, Robert Gillette, Edward Haas, Bernice Heisner, Edward Klaus, Lawrence Kramer, Laurette Moritti, Geneva Oster, Mary Jane Shields, Glenna Smith and Robert Willet. New Lenox students who are graduating from St. Francis academy are Mary Louise Barry, Audrey Gilgen and John Maggun.

COURT ASKED TO INTERPRET WILL OF \$46,000

Because the will of the late Miss Frieda Stuettmann of New Lenox who died May 22, 1950, is being contested, G. F. Krog, administrator, has asked the court to construe it, and especially the third paragraph.

The part in question of the will which bequeaths an estate of \$46,500, states: "I hereby give, devise and bequeath to Harry E. Hafka and his wife, Ethel May Hafka of New Lenox, all of my estate both real and personal of every kind and nature whatsoever to have and to hold the same, to them and to their heirs and assigns forever."

Mr. Hafka died June 4 leaving his widow and three daughters: Nellie Coates, Dorothy Mae Krohn and Irene Fredin. They hold that Mr. Hafka's share passed on to them with his death.

Miss Stuettmann's three cousins, Meta C. Mueller, Walter Mueller and Henry A. Keitel believe they are entitled to one-half the estate which lapsed with Mr. Hafka's death. They claim to be Miss Stuettmann's only heirs.

Named defendants in the suit are Mrs. Hafka and her three daughters, their husbands and the cousins and their wives.

Businessman Donor To School Kids

Mr. Paul Garrison of New Lenox has been a generous donor to the school children of that village.

When the two public schools and the St. Jude's parochial school held their picnics at the close of school Mr. Garrison furnished all the 'eats' for the picnics which included pop, weiners, buns etc. at less than cost, and delivered all these refreshments as well. The mothers and teachers appreciate the generous gesture of Mr. Garrison.

He conducts a grocery store as well as a coal and feed business on South Cedar road.

Alumni Group to Meet in Frankfort

Mr. and Mrs. Lawrence Woodman of Frankfort will entertain the members of the A. D. T. sorority alumni association, of the University of Illinois, at a potluck supper in their home Saturday evening at 6:30 o'clock. The 35 members are from Joliet, Des Plaines, Chicago, Arlington Heights and Streator. This will be the 25th anniversary of their group meetings. Cards will provide the entertainment for the evening.

AUX. CARD PARTY FRI NITE

The Woman's Auxiliary to William Martin Post 725, of the VFW will sponsor a card and bunco party in the Vets' hall, Mokena, tomorrow night, June 8 at 8:30 o'clock. Refreshments will be served by the following committee, Mrs. Lillian Schmidt, chairman, Mrs. Emma Kohl, Mrs. Irene St. Ange and Mrs. Norah Kohl.

All members of the Auxiliary are urged to attend the meeting tonight, June 7, as important matters are to be discussed.

JUNE 23 VOTERS WILL SETTLE QUESTION TO FORM NEW DIST.

J. Luplow-L. Tomany Married in Mokena

At an early June wedding service held Saturday afternoon, June 2, at 3:30 o'clock, in St. John's Evangelical and Reformed church, Mokena, Miss Joan Luplow, daughter of Mr. and Mrs. Henry C. Luplow, of Mokena, and Lloyd E. Tomany, Jr., son of Mr. Lloyd E. Tomany, Sr., and the late Mrs. Tomany, of New Lenox, were united in marriage. The Rev. W. J. Riemann officiated, the altar being decorated with white spring flowers and lighted with candleabra. Mrs. Howard Strassenburg played the organ.

The bride, escorted to the altar by her father, was gowned in white marquisette, trimmed with lace and made with a yard length train. Her finger tip veil was French illusion and she wore a one strand pearl necklace and matching earrings. She carried a bouquet of white roses. She was attended by Miss Druscilla Loveall, of Joliet, who wore an aqua marquisette gown with matching head piece and gloves. Her bouquet was of American beauty roses.

Donald Hinspeter served the groom as best man and George E. Bell was the usher and candle lighter. Mrs. Luplow was dressed in aqua sheer with pink accessories and a pink corsage.

A family dinner was served in the church parlors, to 23 guests, at the tables decorated with bouquets of pink and white snapdragons and centered with a beautiful wedding cake. Mrs. Fred Brown served the dinner.

Among the guests who attended were the groom's father with his children, Richard, James, Judith and Candace; the Rev. and Mrs. Riemann; the grandparents of the couple, Mr. and Mrs. Herman Luplow, and Mr. and Mrs. John Tomany of Chicago; Mr. and Mrs. Harold Luplow, Miss Mary Lou Knapp and Miss Druscilla Loveall.

The couple left for a week's wedding trip to Wisconsin and on their return will be at home at 251 E. Front street. She is employed by the People's Gas Light and Coke company and he works for the Motorola company Inc., both of Chicago.

CAR DITCHED; DRIVER SLIGHTLY INJURED

When John Weinland was returning to his home in Orland Park Friday night, he ran into a ditch on 139th and Route 7. He was slightly injured and his car which he was driving, a 1937 Pontiac, was completely wrecked.

After five years of studying and working to solve the school problem in the area of Frankfort, Manhattan and New Lenox townships, the important issue has finally come to a head.

The election for which voters will be asked to go to the polls to decide if this area will have a high school of its own has been set for Saturday, June 23. Every voter should read the notice in this issue which describes the election completely and names the polling places. Each voter should also read every word of the report of State Superintendent of Public School, Vernon L. Nickell which is also published in this issue on another page. That complete report will not take more than 10 minutes to read; and then it would be a good idea to clip and have it handy for reference if need be.

It has taken five years of time, given freely by the school board members and the school survey committee, which was authorized by the state legislation, to study the high school question in this locality. After two years it will be recalled, the survey committee gave their report which was their sincere honest opinion (Continued to back page)

LOCAL MEN BURNED IN FORD PLANT ACCIDENT

When a chemical pot boiled over at the Ford Aircraft Engineering division, 7404 S. Cicero avenue, Tuesday morning at 10:30, nine men were burned seriously. Two of the victims are from this locality, LaVerne Braun, 32, of New Lenox, and Bernard Cooney, 35, Mokena.

All were taken to the Little Company of Mary hospital on 95th street. Upon being notified by the doctors at the hospital, Mrs. Braun and Mrs. Cooney went at once to their husbands' bedsides.

Mr. Braun was in the operating room 2½ hours, his entire back, stomach, both arms and one leg being burned.

Mr. Cooney has second and third degree burns.

Public Urged to See 'Atom Attack' Movie

A Red Cross meeting will be held at Frankfort in the village hall Wednesday night, June 13 at 7:30 o'clock. A movie on the war situation, "What to do in Case of Atomic Attack," will be shown and all members and the general public are urged to attend.

To Receive Degree From N. I. T. College

Henry Heusner of Frankfort, a student of Northern Illinois State Teachers college for the past three years, participated in the commencement exercises held on the college campus at DeKalb Sunday afternoon. At the close of the summer session he will receive his degree of Bachelor of Science in Education.

He is a member of Sigma Zeta, a national honorary scientific society, and was secretary of Alpha Phi Omega, a social fraternity on the campus.

He will be on the teaching staff of the Park Forest public school in September.

WILL HOLD PARISH PICNIC NEXT SUNDAY

St. John's church of Mokena will hold its parish picnic on the church and village park grounds next Sunday.

The Women's Guild will serve a cafeteria lunch to all picnickers at noon. The Brotherhood will provide the refreshments.

General activities will start at 1 o'clock, the contests at 1:30, and the ball games at 2:30.

MOKENA MAN PLACED ON SIX MONTHS PROBATION FOR DISTURBING ACTIONS

Joseph Ashbey, 48, of Mokena was brought to the county jail earlier last week on a complaint signed by Richard Muehler, tavern owner of Mokena. He was charged with attempting to fight off four deputy sheriffs, and was fined \$50 and cost.

Wednesday night, May 29, a few days later, he was arrested again on the complaint of Mr. Muehler. Brought before Justice of Peace Anthony Mackay, he was fined \$100 and costs. The fine was remitted and he was placed on probation for six months.

Legal Notice

REPORT OF SUPERINTENDENT OF PUBLIC INSTRUCTION

Honorable Louis F. Bottino
County Superintendent of
Schools
Joliet, Illinois

This will acknowledge receipt of a notice from you that a petition has been filed by more than one hundred legal voters residing in a territory having a population of more than 2,000 persons and an equalized assessed valuation of more than \$6,000,000, requesting that you call an election to be held for the purpose of voting "for" or "against" the proposition to establish a Community High School District for the benefit of the inhabitants of the following described territory, to-wit:

All of Frankfort Township;
All except West tier of sections of New Lenox Township;
All Manhattan Township not in the Peotone Community Unit School District.

I have, in cooperation with

LEGAL NOTICE

you as County Superintendent of Schools of Will County, Illinois, in which County all of said territory is located, studied the territory of the proposed district and the high school needs and conditions of such proposed district and the area within and adjacent to same. In addition, I have examined the proposal in order to ascertain whether the proposed district will be able to provide a recognized four-year high school at a reasonable cost to the taxpayers and the advantages, if any, over the present high school educational facilities furnished children in the territory involved.

It appears that the proposed district covers territory approximately 11 miles east and west by 10 miles north and south, in a community including parts of three townships, and four villages, the population of the entire proposed district being approximately 6,500 persons.

The proposed district has many hard-surfaced highways, concrete and paved roads, and is well serviced with excellent roads and streets which remain in good condition throughout all

LEGAL NOTICE

seasons of the year, so that any central location in said district where a school may be established may be reached conveniently by the children residing in the district.

At present the above described territory is in the non-high school district in Will County and the children attend nearby high schools at Joliet, Peotone, Chicago Heights (Bloom Township High School) and Orland Park. All of these high schools are a considerable distance from portions of the proposed district and even though transportation facilities are good, still the population of the territory in question is increasing rapidly and it is deemed advisable by many of the residents of the proposed district to organize a high school district of their own. It is expected that the enrollment in the high school will be approximately 300 pupils during the first year of operation and will probably increase as home building operations continue. It is also possible that the Orland Park Community High School District will consolidate with the proposed district if and when it is organized and such procedure would increase the enrollment approximately 110 pupils. An enrollment of either size is large enough to offer the necessary courses required by modern high schools at a reasonable cost, although it probably would be advantageous to the residents of the entire territory if the Orland Park district could become a part of the proposed community high school district if and when it is organized. In my judgment, a high school district formed in this community would be advantageous for all of the high school children, in that they will be able to attend the same high school.

The equalized assessed valuation of the proposed district is estimated to be approximately \$22,500,000 and the assessed valuation of the Orland Park district is \$8,000,000. The tax base in the proposed territory in and of itself is sufficient to operate a good high school on an educational rate of approximately .70%.

However, a new building will be necessary and should be constructed at the earliest possible date. Until it is completed, it is likely that it will be necessary to continue to send the high school children of the territory to other high schools. Under present conditions, a modern building would likely require an outlay of from \$700,000 to \$900,000 and a bond issue would be required which cannot be amortized over a longer period than twenty years. Such program would require an additional bond rate of approximately .23% to .28% and the law requires an additional rate of .0625% for building purposes each year if needed by the district for maintenance, repairs and other improvements to the buildings.

It is pointed out that the law limits the educational rate to .50% without referendum and it would be necessary to hold a referendum in order to authorize a .70% rate in order to carry out the educational program of the high school in an efficient manner and offer the educational opportunities and advantages

LEGAL NOTICE

which the community has a right to expect for its children.

The tax rate of the non-high school district of Will County is .40% for educational purposes. Because of the increasing cost of education, it is likely that this rate will be raised for the next two years, and thereafter in accordance with present law, the non-high school district will be abolished and the duty of educating the high school children will fall upon the elementary school districts wherein they reside. These facts are pointed out in accordance with the requirements of the statute, in order that the voters may determine what the proposed operation will cost and what the probable cost will be in case the community high school district is not organized.

It is my opinion that the proposed district is compact and contiguous within the meaning of the statute and that all children within the proposed district may reasonably travel from their homes to the school and return in a reasonable time and with a reasonable degree of comfort. In order that this be done, I deem it necessary that transportation be furnished by the new district, if and when it is organized. Although many of the inhabitants travel to surrounding towns and communities for business and social interests, nevertheless it is my opinion that the territory included within the proposed district constitutes a community for the purpose of providing a high school education.

I deem it possible for the proposed district to operate a recognized high school program at the approximate costs outlined above under the conditions as outlined in this Report, namely:

- (1) Enrollment of approximately 300 pupils or more.
- (2) Construction of a new school building in a convenient location in the district.
- (3) Maintenance of an equalized assessed valuation of \$22,500,000 or more.

The alternative methods of providing adequate high school educational opportunities for children in the territory involved in the proposed district are as follows:

(a) The territory could remain in the non-high school district as it is at present. It seems that this operation will probably be just as expensive in future years if we take into consideration transportation costs of children attending other high schools and the rising tuition costs in many of these schools. In my experience, this method of educating high school children of a large segment of the population is never as satisfactory as the operation of a high school where the patrons of the district have a voice in the operation of the school attended by their children. Furthermore, since the law provides for abolition of all non-high school territory on July 1, 1953, it certainly seems advisable that a new district be organized for the education of high school pupils and that definite plans be made for the education of such pupils.

(b) The territory could be organized into a community unit school district. This would place all of the schools in the territory under one board of education and has many advantages. Each of the underlying grade school districts in the territory has outstanding bond issues and it would be more difficult to issue bonds for the construction of a new high school building in the territory under the community unit plan.

Furthermore, an investigation in the community discloses that a great number of the residents of the territory are opposed to the formation of a community unit school district at this time.

(c) The district could simply continue to permit the children to attend high schools in adjoining districts until July 1, 1953 and then transfer the burden of education of the high school pupils to the underlying common

LEGAL NOTICE

school districts. In effect, this would create the same kind of school territory now known as non-high school territory, except it would be located in several districts. The children would not have the advantage of uniformity of educational opportunities and the operation would probably cost as much or more than estimated educational costs as above set forth.

It is my opinion, therefore, that none of the alternative methods above mentioned would be as satisfactory as the organization of a Community High School District. If the residents of the territory desire a good high school immediately, the plan to organize a Community High School District at this time seems feasible and commendable.

This Report is made as provided by Section 10-13 of the School Code of Illinois, and you are hereby authorized and directed to publish same in a newspaper of general circulation in the above territory at least ten (10) days prior to the election which you are required to call according to law and at which election the proposition for the establishment of a Community High School District shall be submitted as provided by the Act.

All of which is respectfully submitted.

Superintendent of Public
Instruction State of Illinois

HANDLE IT CAREFULLY... Get it all with... SIDE DELIVERY RAKE

Get All the Hay...WITHOUT TANGLING, ROPING OR TWISTING

The MM Side Delivery Rake handles the hay carefully and turns the stems outward so they dry quickly. Leaves are thus protected against drying too quickly. The rake cylinder has self-adjusting action front and rear so that the teeth and spiral cylinder follow the contour of the ground... gets all the crop. Uniformly smooth action of the cylinder on the MM Side Delivery Rake helps prevent tangling, roping or twisting... gently deposits the hay in a loose, fluffy windrow for more uniform curing!

BUILT TO DO THE JOB AT LOWER COST... LONGER!
Heavy tempered steel teeth are quickly detachable in pairs. Spring coils give added strength to the teeth. The high main arch provides ample clearance for heavy raking jobs. The strippers are aligned to prevent hay from winding or bunching in the cylinder. This rake will carefully handle any crop.

YOU CAN EXPECT MORE, AND GET MORE, WHEN YOU GET AN MM SIDE DELIVERY RAKE.

And remember... Quality Control in MM Factories Assures Dependable Performance in the Field.

HOMER

Elizabeth B. Anderson, Lockport R1
Telephone Lockport 886-M

The Homer Woman's club will hold the final meeting of the season in the home of Mrs. Fred Petges, June 13, with Mrs. John Reiter as assisting hostess. Officers will be elected for the en-

suing year. They will hold their annual picnic in July.

The Hi-X club enjoyed a sight seeing trip to Springfield Thursday of this week: about 16 young people accompanied by the Rev. and Mrs. Harold Finley, Mrs. James Coleman and Atty. John H. Savage of Joliet went in three cars. They visited the state legislature and other places of interest.

Of interest to many Homer people is the approaching marriage of Miss Barbara Moehl and Elmer F. Ott which will be solemnized June 16 at 4 p.m. in the Lockport Methodist church. Mr. Ott is the son of Mr. and

Mrs. Howard Ott, former residents of here.

Miss Maxine Hanson of Harvey was the weekend guest of her friend, Mrs. James Coleman.

Mr. and Mrs. LaVerne Kasper and daughter Beverly have moved to Channahon where he is employed.

School picnics to celebrate the ending of the term were very much in evidence this week; on Thursday Solterman and Barnett schools went to Highland Park; on the same day Wells Corner school picnicked on their home grounds. Hadley enjoyed Saturday at Innwood. June 6 was the day chosen by Ross school to go to Messenger woodlands.

Graduating from Lockport High school next Thursday evening June 7, are the following people from Homer: Wanda Petrulis, Barbara Haley, Joe Murphy, Jack Reiter, Jr., Ralph Benck.

Ralph Benck was among those named to the National Honor society; he also was made a member of the National Quill and Scroll society. Two Lockport girls who are well known here, also received the first named honor; they are Ardith Mathers and Francis Ott.

A permit to erect a six room frame home was recently issued to Raymond J. Wolan of Chicago on a site 1-2 mile north of Route 7 near the transformers.

Mrs. Emma White, grandmother of Mrs. Wrey White, is a patient in Silver Cross hospital. She was improving at the last report.

The Ross school Mothers' club will hold the final meeting of the season in the home of Mrs. Christel Koehler on Wednesday evening, June 20, at which time there will be election of officers.

Recent callers in the Ralph Waldvogel home were Frank Carlson and his sister, Mrs. Stenzle of Geneseo and Mrs. Marion White of Lockport.

Mr. and Mrs. Ezra Beetz of Mendota and Mrs. White spent the past weekend in the Waldvogel home. All of these people were fellow travelers with the Waldvogels on a Prairie Farmer tour last summer.

BATTER UP!

The Tinley Park Sportsmen visited Stickney Sunday, June 3 and came out on the long end of a 9 to 8 count.

Tinley counted two runs in the first inning and two more in the second.

Stickney bounced back with three runs in the second.

The Sportsmen picked up four more runs in the fourth when Ficker leading off, doubled, Kuech walked, Blonquist doubled, Rick singled, Anderson singled, Siebrandt struck out, Landau doubled, Rump lined to center and Landau was doubled at second.

Tinley counted another run in the fifth inning on Ficker's second double, Blonquist's third hit and a single by Rick.

Stickney chalked up two runs in the sixth, and after going down in order in the seventh counted three more in the eighth inning making the score 9 to 8 in Tinley's favor.

The Sportsmen's heavy hitting was topped by Fickers 3 for 3, Landau with 2 for 3 and Blonquist and Rick each had 3 for 4. Kneiz of Stickney gave up 15 hits while striking out six and walking four Sportsmen.

Rump, hurling for Tinley, gave up 12 hits while striking out 13 and walked two.

Sunday, June 10 the Sportsmen will visit the Seals A. C. Game time 2:30 p.m.

B's Rout Harvey 19 to 2 by "Squebster"

Behind the one hit pitching of lefty Jack Tomlinson, the Tinley Park Sportsmen B's rolled over Harvey 19 to 2. Tomlinson struck out seven and threw out six from the field.

Tinley grabbed three runs in the first, clubbed in nine in the second, added five more in the fourth and one in both the sixth and seventh. They stole 25 bases and were issued 16 walks by three Harvey pitchers?

Don Goesel, Tinley's left fielder, hit the longest ball of the game, a homer with two on in the second inning. Bob Cupp pushed the attack with a single and triple. Bill Kunzer also collected a triple.

Tinley was strong on the field committing but one error.

"SMALL BUSINESS"

By C. WILSON HARDER

Congress wants to take steps to make the Secretary of State responsible to Congress, and thus to the people.

The problem is this. In days gone by, the State Department merely functioned to observe international amenities, carry out intent of Congress when relations with another nation became thorny.

However, the United Nations has changed all that. Actions are now taken by the State Department without consent or knowledge of Congress.

Now even a small one man business can be wiped out by the State Department.

The carefully worked out system of checks and balances has been destroyed and the Secretary of State dominates not only in foreign matters, but in matters affecting business, taxes, even life or death.

Many of the confused orders controlling vital materials are State Department blunders.

It is a situation that was never visualized. Traditionally, the President has been intellectually equal to his State Secretary, as in the Hoover and Roosevelt administrations.

Current happenings reveal that the reverse is now true. The tail now wags the dog.

Dean Acheson, a very suave intellectual, has never really been a part of the American grass roots; has no conception of how independent enterprise built America.

He is also one of the Georgetown clique who sees nothing wrong with a "little socialism".
©National Federation of Independent Business

failing to realize that a Communist is nothing more than a Socialist in a hurry.

Hearings on the rubber mess by Sen. John Sparkman's (D. Ala.) Senate Small Business Committee is outlining the extreme efforts that Acheson has exerted to bolster up the Socialist government of Britain.

So far, hearings have shown that in 1945 synthetic rubber program was all but sabotaged to protect British rubber monopoly profits.

Korea boosted natural rubber prices 800%. American taxpayers are paying to save Socialism in Britain at any price, even in American lives and dollars. Disagreement with MacArthur views show same trend.

MacArthur wants to blockade China. This would cause severe financial loss to British Malay interests who shipped in first nine months of Korea 120,000 tons of rubber to Red China; 40,000 tons to Russia.

There is also the Acheson record on convicted traitor Alger Hiss; his plan to force the Chinese Nationalists to form a coalition government with Communists.

Briefly, that is the background for a movement to insure that either the Secretary of State is stripped of many powers, or safeguards set up so that the office will be filled by someone of the American people, by the American people, and for the American people.

Senate Small Business Committee is also studying the weird newsprint situation. So far one interesting fact is revealed.

The nation's 9,000 weekly newspapers, backbone of the free, independent American press, only uses 2% of the newsprint supply; the Federal government uses 7%.

Warn Motorists About Hitch-Hikers

Don't give way to a generous impulse and pick up hitch-hikers, the Chicago Motor Club warns.

You never know whether the person looking for a lift is a thief, narcotic, or potentially a murderer. Even shiny-faced high school boys and girls may not be safe passengers, if you don't know them. Thrill-seeking kids of both sexes with no previous delinquency record have attacked motorists within the past several months.

In Chicago four high school girls set upon a friendly housewife who gave them a lift. They drove her from her car at the point of a knife. The chastened woman was lucky to escape unhurt, although her car was damaged in a police chase that ensued.

Chicago police estimate that as many as one hitch-hiker in three encountered on the highway may be dangerous. Hitch-hiking is the best way of avoiding a police dragnet that covers railroad stations and bus depots.

Hitch-hiking and strong arming the motorist is one cheap way of acquiring a car, leaving only the owner to dispose of. In Chicago last year a motorist picked up two young men on the outskirts of the city. They stole the car.

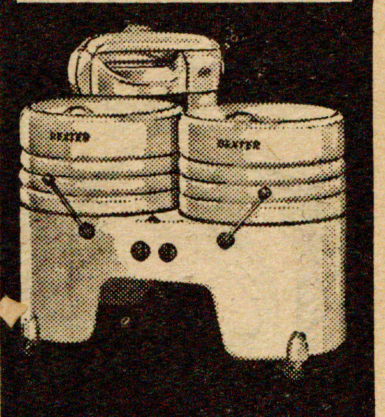

Last winter a motorist picked up three youths to help them along their route for a few blocks. They forced him to drive to Springfield and after robbing and slugging him, threw him into a ditch. Captured later, they disclosed that the previous night they had slain a man with paving bricks.

Temper your generosity with caution, the club urges. Your first concern is personal welfare. In these days of prosperity very few

are desperately in need of transportation who cannot be accommodated at the public or private welfare agencies set up for that purpose.

CARD OF THANKS

We wish to thank all those who so kindly remembered our loved one with cards and letters during her long illness. We deeply appreciate and gratefully acknowledge all the kind expressions of sympathy we have received in our bereavement.

J. G. OSWALD and FAMILY

Miss Joyce Schiek is employed for the summer at the Beutell-Nash company in Joliet.

Miss Audrey Niethammer will

start Monday working in the treasurer's office in the court house in Joliet.

Mrs. Rose Moriarty called on her uncle Charles Schmuhl last Wednesday in the Smith nursing home in Joliet where he is a patient.

Mr. and Mrs. D. Wessels and son from Houston, Texas returned home Friday after spending their two weeks vacation here with her mother, Mrs. Rose Moriarty. They first went to Detroit, Mich., where they spent a few days with her brother Francis and family. Mrs. Rose Moriarty, who was a guest in her son's home in Detroit, returned to Mokena with the Wessels.

Members of the former Mokena bridge club met in the home of Mrs. Albert Cappel last Friday evening at a potluck dinner complementary to Mrs. F. C. Whitlark. The dining table was covered with a pastel green cloth and centered with a bowl of yellow and white spring flowers, flanked by tall white tapers. Yellow, green and white decorations formed the color scheme for the occasion. Mrs. Whitlark was presented a beautiful card and a gift of money from the group. They extended best wishes and Godspeed to her and her family in their new home. The Whitlarks will soon be leaving Mokena for Amery, Wis. where they have purchased 84 acres of woodland with a 1500 foot lake frontage on Big Round Lake, Wis. Their new home is under construction.

Mr. and Mrs. Gordon Bruce and family left Saturday by motor for a visit with his parents in New Jersey.

Mrs. Mary Steen of Oak Park is visiting in the home of her son Adolph and family.

Miss Adeline Semmler spent Sunday in Milwaukee, Wis. with Miss Elizabeth Dailey. She was accompanied by Phyllis Siegel and Pearl Gieron of Chicago.

Dorothy Weemer of Mattoon was a weekend guest of Miss Audrey Neithammer, and David Andrews and Bill Davis, also of Mattoon, were weekend guests in the home of Mr. and Mrs. Elmer Cooper.

Mr. and Mrs. Donald Ambuehl and family and Miss Gail Binder of Joliet enjoyed Sunday at Morton's arboretum at Lyle.

Many Mokena people enjoyed seeing the Junior-Senior prom at the JTHS Friday evening. Much credit for the attractive decorations belongs to Miss Audrey Neithammer, who with her committee, worked weeks on creating and installing the decorations which were marine in theme.

Mrs. David McMillan who underwent surgery in Silver Cross hospital last Tuesday is improving nicely.

John Roesner left Friday by motor to spend his vacation with his grandparents in New York City.

The Mokena Royal Neighbors will meet in the VFW hall Tuesday, June 12 at 8 o'clock. The annual memorial services for the deceased members will be held at this time.

Miss Christina Schmidt who was ill in Silver Cross hospital last week, with a severe attack of asthma, has returned home. While in the hospital she was under an oxygen tent.

SCRIPTURE: Luke 4: 15; 19:1-10;

DEVOTIONAL READING: John 10:7-15.

Not to Be Served

Lesson for June 10, 1951

THERE are at least three ideas of what religion is, and two of them are wrong if Jesus was right. To put this more correctly: All three ideas have some truth in them, but if either the first or the second is taken as the main and only truth, then religion goes wrong; while Christ's truth carries in itself all the truth the others have.

Dr. Foreman

Religion Is Not Retreat
FIRST of these wrong ideas about religion is that it is a retreat from the world, a private conference between God and the soul—and nothing more.

People holding this idea have literally fled from the world, they have taken vows of silence and not spoken to a living soul for years on end, they have lived in little shut-in communities devoted to contemplation and prayer.

Now the relation between God and the soul is extremely important. Prayer and contemplation are the very atmosphere of religion, and the Christian ought always to be truly separate from the world. But retreating to a cell won't answer. Nobody is any better for taking a vow of silence.

Jesus was not that kind of person. His apartness from the world was not marked by a brick wall, but by his being a different kind of person, in the world.

Religion Is Not a Guarantee
ANOTHER wrong idea about religion is that it is a means of gain. Being religious is supposed to be a sure way of getting what you want, it means getting God on your side, it means having all your prayers answered, it means prosperity and success.

Surely no one could study the story of Jesus and come away with that notion in his head! Jesus got neither health, wealth, popularity nor success out of being what he was and doing what he did.

The most respectable citizens regarded him as a wicked man; his property was only the clothes he wore; he is known to us as a "man of sorrows and acquainted with grief"; as for success, it is written that "he came to his own, and his own received him not."

Well, some one will ask, do you mean to say there is nothing in being a Christian? Don't you get anything at all out of it? That is a fair question.

Yes, there is everything to be gained; but not in that money-making, happiness-guaranteeing fashion. The person who "goes in for religion" hoping to advance his own interests, is still only a selfish man; and selfishness and Christianity are just crosswise.

Not To Be Served

THE third idea is in Jesus' words: "The son of man came not to be served but to serve, and to give his life a ransom for many." And as one of his great followers said: "As he is, so are we in this world." (I John 4:17.)

This is the ideal of service, in its deepest, widest sense; and it takes in both those other ideals of religion. One of the best ways of serving others is to pray for them, as Jesus did. One of the best things we can do for others is to live as close to God as we can. But as Jesus himself said: "For their sakes I dedicate myself."

It is true, also, that something is to be gained from religion; but nothing that a selfish, greedy, money-loving person can understand. As one of the great creeds expresses it, the "benefits of redemption" are assurance of God's love, peace of conscience, increase of grace, and perseverance therein to the end.

These are priceless, but no one can understand such things or even wish for them so long as he is a self-loving person. Jesus served men's bodies and minds, he taught and healed; but deeper than this, he came to save men—save them from their worst selves, bringing them out from slavery of sin, into the freedom of God.

So the Christian who wants to know the full meaning of his religion will, like his Master, so far as he can find opportunity, serve others' needs in every way he can. And the best service one person can do for another, after all, is to introduce him to Christ.

New "DAYLIGHT SAVINGS" at Cultivating Time!

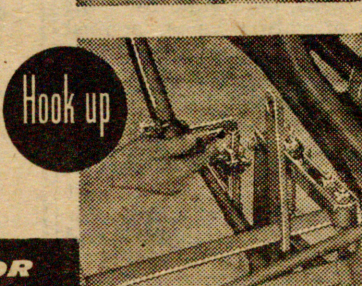

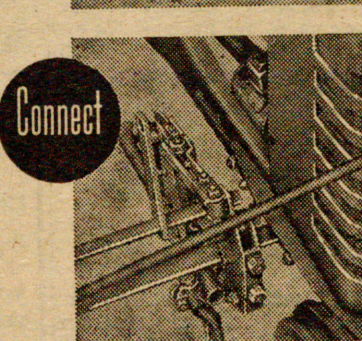

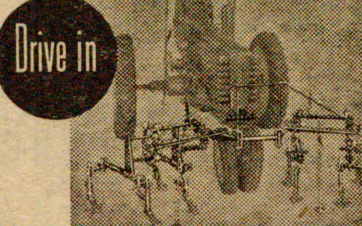

You already know the advantages of John Deere Tractor Cultivators... clean work... clear vision... easy handling... complete adaptability... sturdy, rugged construction.

Now, add "Quik-Tatch" speed in attaching and detaching... a fast, easy, one-man method... no lifting... no straining and fussing... and you have real daylight saving in cultivating season when time means money.

Just drive into the cultivator... attach each side with a single nut... connect the two lifting pipes... and you're ready for the field.

Unhooking is just as easy. Put the two supports in place... disconnect the lifting pipes... remove the two nuts... and back away.

Quik-Tatch is just one of many advanced features that make the new John Deere "A" and "B" Tractors today's leaders in MODERN design. Come in and let us tell you all about them.

Fourteen members of Brownie scout troop 100 will advance from Brownies into Intermediate Girl scouting at a "fly-up" ceremony to be held tomorrow, Fri-

day, afternoon in the Lions Den on South Cedar road. Troop leaders Mrs. Beulah Eriksen and Mrs. Hazel Rowsell will present the pins to the girls. Mothers of the scouts are invited to attend the ceremony at 3:00 o'clock.

Members of the Altar and Rosary society of St. Jude's Catholic church met Tuesday eve-

ning, May 22 at 8 o'clock in the school hall. The Rosary was recited by the group, after which the following officers were installed: president, Mrs. Ione Zussag, vice president, Mrs. Leona Dickman, treasurer, Mrs. Mary Greenman, and secretary, Mrs. Walter Grimes.

A short business meeting was held and Mrs. Alice Archibald, program chairman, announced that Miss Ochs, a school teacher from Joliet, will show colored slides here in the school June 22 at 8 o'clock. The program is open to the public and a small charge is being made. Mrs. Zussag introduced Mrs. Loucks, president of the National Council of Catholic women in the Joliet district, who gave a short talk and then introduced her committee, Miss Marie Ryan, Mrs. Harry Wenger and Mrs. Anthony Grohar, who in turn gave a short talk on the various club projects. At the close of the meeting dessert-coffee was served by Mesdames Fern Brown, Leona Dickman, Edna Cutler, Grace Yeoman and Ann Wondrasek. Gifts were presented to the retiring officers by the hostesses.

Brownie Scout troop 100, with their leaders Mrs. Beulah Eriksen and Mrs. Hazel Rowsell, enjoyed a Cook-out last Thursday at the scout cabin in the camp grounds. The girls made Budde burners to be used for day camping. Plans were made for their fly-up ceremony to be held Friday at the Lions Den, when the girls will receive their Girl Scout pins. The girls cooked and enjoyed their supper before returning home.

Miss Bee Miner returned to her home at Webster, Iowa Sunday after spending several days here with Miss Jo-Anne Frick.

Mr. and Mrs. Harvey Frick motored to Mt. Pleasant, Iowa Sunday to bring their daughter, Miss Joyce Frick home for the summer vacation from her studies at Iowa Wesleyan college where she was a Junior this year.

Classes at St. Jude's parochial school will come to a close for the summer vacation Friday. Enrollments are being taken now at the school for next September classes, first grade thru eighth. The entire school enjoyed their end of school picnic May 31 at Inwood. Buses were chartered for the day and parents and teachers accompanied the pupils. Sister Mary Rose, Sister Eileen Frances and Miss Susan Parr, teachers at St. Jude's were presented with a gift from the pupils and their parents.

The sisters are leaving for their summer home in Arizona on June 10.

Plans are being made to have more teachers in the school next term.

Miss Jo Anne Frick, bride elect, was the honored guest at a miscellaneous shower given Friday night by Mrs. Henry Watson and Mrs. Joseph DeLaire in the home of Mrs. Wilson Crisman at Oak Park. The guest of honor was presented a white carnation corsage upon her ar-

rival from the hostesses.

After an informal evening, many lovely gifts were presented to the bride-to-be who was assisted in opening them by Miss Bee Miner of Webster, Iowa who will be bridesmaid at the wedding, and Mrs. Orville Gerloff of Chicago who will assist at the wedding reception.

Refreshments were served buffet style from the dining table covered with a white linen cloth, and centered with a basket of mixed flowers. Blue and white candles in gold candelabra decorated either end of the table. Eleanor Sand of Chicago was awarded the door prize. Of the seventy guests present at the party, the following were from New Lenox: Mrs. Evelyn Cronlund, Mrs. Bernice Garman, Mrs. Marion Stockley, Mrs. Edna Collatz, Mrs. Velma Ingram and Mrs. Olive Frick.

The Busy Hour 4H club met recently in the home of Lucille Moritt. 4H books which were not available at previous meetings were handed out. The requirements for Achievement Day were read by Mrs. Batson. The club made plans to visit the American Institute Laundry soon. Janet Warning gave a demonstration on Laying and Marking a Pattern. The next regular meeting will be held June 19 in the home of Janet Korsgaard. A meeting to help beginners get started on their projects will be held June 12 at the home of Janet Warning.

The New Lenox Cardinals met in the home of Ann Archibald May 29. The meeting was called to order by Betty Jo Oster, Mrs. Walter Hamilton, club leader, talked about day camp June 28 at West Park in Joliet. Plans were made for Achievement Day which will be August 1.

Audrey Gilgen gave a demonstration on shortbread and a talk on safety of our natural resources. Ann Archibald gave a demonstration on muffins and cake and talked on proper sleeping habits. Ann Zussag and Diane Wondrasek gave a singing demonstration. Ann Zussag gave a talk on stay stitching. Betty Jo Oster talked on clothing and safety, and Florence Cruise and Joan Ridgeway on music. Refreshments were served.

The New Lenox Methodist church is conducting a vacation Bible school this week and next week at the church. The school, an annual one, will open at 9 a. m. and close at 11:30 each day, Monday thru Friday.

A cordial invitation is extended to any child above the age of 4 years, regardless of whether they attend Sunday school or not. There will be a nursery class for children under 4 whose mothers would like to help. There will also be an inter-high school class for those entering high school.

New Lenox Bluebirds 4H club met Saturday in the Lions Den. Judy and Janet Feil, hostesses, served refreshments. After the business meeting relay races guessing games were enjoyed. The next meeting will be

June 14 at the home of Karen Gillette. Hostesses assisting Karen will be Patsy Gilgen and Kathleen Griffin.

Friends called on Mrs. Peter Sinclair Tuesday and surprised her by helping to celebrate her birthday. She received many lovely cards and gifts. Refreshments were served.

A Report From Europe—What do Europeans think of America and Americans? Arthur Bliss Lane, former Ambassador to Poland, with long experience in the diplomatic service of this country, has just returned from Europe where he went to find out at first hand how the European people—not their leaders—feel toward America.

Mr. Lane visited France, Italy, England, Denmark, Germany, Spain and Portugal. He asked the people in each country two questions:

1. Would you prefer Communism to another war?
2. Have you confidence and faith in the United States?

On Question No. 1, the answer from six of the seven countries was that they would prefer war to an extension of Communism. The people of France, however, said they would rather an extension of Communism than fight another war. This is the same attitude the French people had in 1940, and it is contrary to President Auriol's recent statements in this country when he said the people of France would fight if necessary.

On Question No. 2, Mr. Lane did not get a definite yes or no answer. The opinion in all seven countries is best expressed by the oft-repeated question propounded to Mr. Lane, "How can we have faith in the United States when her leaders compromise with Communism abroad—Cairo, Teheran, Yalta, Potsdam, and defend Communists at home?" They claim, and rightly so, that our agreements at Teheran, Yalta, and Potsdam violated the principles adopted in

the Atlantic Charter and do not square with our words and promises embodied in that Charter, because by those agreements we "sold European peoples into slavery." We cannot deny that indictment because that is exactly what we did at Yalta and Potsdam.

Sinned Against God and Man—Congressman Lawrence Smith of Wisconsin has introduced a Resolution in the House to repudiate the Yalta and Potsdam Agreements. In support of his Resolution Mr. Smith said:

"We should confess that we sinned against man and God at Yalta and Potsdam. This would be good for the soul of America. By such an act we could atone for our immoral against Poland, China and Germany. Such a courageous act would win us millions of friends all over the world. It would be a tonic to people who live under dictatorships and who have been losing faith in countries who parade under the banner of liberty, yet who have been parties to agreements that deny that very principle."

Wheat For India. Here are a few facts with which many Americans may be unfamiliar in connection with the "wheat for India" problem:

1. Pakistan—next door to India—reports that it has plenty of wheat for export, but India refuses to do business with Pakistan because of Indian hostility to that country and desire to injure its trade.
2. India has helped create, or at least aggravate, its own food shortage by converting a million acres of good wheat land to jute and cotton, in order to compete with Pakistan's jute trade.
3. Nehru recently made a dramatic announcement to Par-

liament that "Russian ships with wheat have started for India." The shipment referred to was 50,000 tons of wheat, purchased from the Soviet Union. Nehru made no similar mention that in the first four months of this year the United States has delivered 411,000 tons of wheat to India.

4. Nehru refuses to lift India's ban on exchange of strategic materials for American wheat—materials required for our defense program—but is sending these materials to Soviet Russia. Add to these facts Mr. Acheson's proposal for an outright gift of 2,000,000 tons of wheat to India, after that country had offered to buy the wheat, and the further fact that the outlook for this year's wheat crop in the United States is still uncertain, and you have some of the reasons why Congress has made haste slowly on this issue.

WHAT A RELIEF

From Rheumatic Muscle Pain!

Now you can get quick-action, temporary relief from local superficial pains of rheumatism, lumbago, neuritis, bursitis, sciatica, arthritis as well as fatigue and muscular aches and pains of simple colds with the new ointment—SURIN—because SURIN is based on a new application of a principle. It contains an active modern research drug—methacholine chloride, a powerful ingredient to dilate surface blood vessels when applied at the point of pain. SURIN provides double action pain relief. (1) It increases blood supply (2) allows local, relaxing agents, camphor and menthol and local analgesic to penetrate faster giving quick, temporary relief at the point of pain. In a few minutes you feel the soothing warmth from SURIN. Then follows blessed relief lasting 1 to 3 or more hours. No internal dosing—use SURIN locally. Not an ordinary rub ointment or liniment. SURIN has a new elegant base, creamy-white, smooth. Easy to apply. Will not stain washable fabrics. Quickly washes off in warm water. Money back at your druggist if not satisfied!

*SURIN is not intended as a cure or treatment of above diseases. It is to be used only for temporary relief of local superficial pain.
